

# Full-time Transactional Attorney

## Boston

---

Fast-paced boutique commercial real estate firm with a sophisticated practice seeks a transactional attorney with 3-5 years' law firm experience in property acquisitions, dispositions, financing, and related due diligence matters including title and survey review, lease abstracts and tenant estoppels.

Familiarity with construction and design professional contracts, development agreements, property management agreements, and/or entity formation matters, a plus. Candidates must possess great attention to detail, and excellent writing and communication skills.
